Candy Detective 2: The Frog

- The music was a good theme for the game
- The animation was simple and good, I noticed the character can go out of bounds

Jet Set: Remastered

- Maybe add a reset button so the game doesn't freeze when it ends
- The menu is very interactive and the sound effects were good

Archer Hero!

- The addition of boundaries would be good so the user doesn't go off the game.
- Maybe add that if the character got hit by an arrow they would go back to the start.

Seasonal Maze

- Really good camera movement
- Maybe add a menu screen

On the cloud

- The animation to this game is really great.
- The variety of powerups was a great addition

Astro

- Your tiles are very interesting and creative
- I didn't come across any monsters when I was playing.

Silly Ape, These are my Grapes v2.0

- The movement was smooth and the refresh of the game was a good addition
- The sound was a good theme for the game

Untitled Trick or Treat Game

- The graphics of the game were interesting and cool
- The sound effects of the game were a good addition

Chase the Segways!

- The background music was a good addition to the game
- The difficulty of the game makes it interesting and fun

Cave Escape Game

- The animation and sound effects are great
- The difficulty of the game make it more fun
